

THE BUNGALOW

GALLE FORT

*For long lunches, easy drinks
and dinners worth lingering over.*

Welcome to The Bungalow

The Bungalow has a way of getting under your skin. One drink turns into two. A quick bite becomes a table full of plates. Time stretches, plans shift, and suddenly you're not in a rush anymore.

People drift in from the Fort. Some come looking for us, others just follow the noise. Either way, they stay. The room builds slowly. Glasses clink, chairs move, stories get louder, and somewhere between the first order and the last, the place finds its rhythm.

From the kitchen, we keep things honest but never boring. Fresh seafood, often wild-caught, handled just enough to let it shine. Big flavours where they belong. Comfort where you want it. If something isn't quite right, tell us. We'll fix it. Settle in. You're not leaving as early as you think.

Welcome to our journey. Welcome to The Bungalow.

A Note from the House

During our busiest dining periods, tables are reserved for guests joining us for a full dining experience. As a guide, we ask each seated guest to select a main course, while starters, sides and other dishes are of course welcome to be shared.

Thank you for understanding.

SIGNATURE COCKTAILS

Fort Flamingo

Gin | triple sec | fresh lemon | egg white | grenadine | hibiscus

A bright, elegant first sip, with fresh lemon and citrus meeting the soft sweetness of grenadine and a delicate hibiscus note. Silky from the egg white, with just enough tartness to keep things lively.

LKR 3,550

Galle Crush

SIGNATURE COCKTAILS

Tempting Tea Trail
